

# Holy Name Cathedral presents EUTHANASIA AND ASSISTED SUICIDE WEBINAR

“This presentation will uncover the truth about the dangers of legalizing assisted suicide, not only for those who are sick and their families, but also for society, healthcare professionals and the entire healthcare system.”

Come hear Nancy Valko, RN ALNC, who has both professional and personal experience with individuals considering suicide. She also writes against and has testified against assisted suicide laws in the United States and abroad.
