GLOBAL MISSION MASS AND CELEBRATION

Sunday, October 27, 2019 | 5 p.m.

St. Ferdinand Parish

5900 West Barry Avenue, Chicago, IL 60634

Mass followed by reception

Pope Francis has declared October 2019 an Extraordinary Mission Month. Because many in the Archdiocese of Chicago faithfully support and engage in international missionary efforts, our Mission Office is organizing a Global Mission Mass and Celebration, which will be celebrated by Cardinal Blase J. Cupich. All those involved in global mission are invited – groups, parishes, schools, colleges and universities, religious congregations, organizations, and individuals.

There will be opportunities to honor distinguished leaders in global mission and to share photos and stories about the joy of missionary discipleship.

RSVP coming soon on our website: wearemissionary.org.
