

SEEKING CHRIST

Family Evangelization Congress
March 15 – April 10, 2019

The Family Evangelization Congress will bring more than 3,000 participants together from the Polish community as they seek Christ this Lenten season. Polish school students, youth, parents, young adults, catechists, and many more will participate in the three week congress.

This congress will reinvigorate youth, teens, and parents and motivate them to reengage in their formation and to encourage them to seek new opportunities for spiritual development as faithful followers of Jesus Christ.

Join us this Spring as we grow together, with you, and strengthen the culture of lifelong formation in our faith community.

The program will include:

- Prayer opportunities
- Holy Mass
- Concerts
- Opportunities to connect with families
- Exhibitors and vendors

This event is free. Free parking is available at all church locations.
