

VITALITY DAY

HOSPITALITY AND WELCOMING

Presented by the Office for Evangelization and Missionary Discipleship

The foundational step in creating a culture of evangelization in your parish is to focus on radical hospitality and welcoming.

Please join us for a gathering focused on hospitality and welcoming in a parish context. This workshop is designed for all parish leaders (clergy, religious, staff, ministry leaders, etc.) who want to be a part of the renewal efforts in your community. Through prayer, conversation, and shared learning, participants will leave this workshop with new insights and understanding on how to practice hospitality and welcoming as well as practical tools for use in the parish.

Please register for whichever Vitality Day will best work with your calendar. All are welcome at all gatherings. Presentations will be offered in English, Spanish, and Polish at most locations. Please indicate which language session you will attend when registering. A meal will be served.

To register, please visit pvm.archchicago.org/evangelization/events at least 48 hours before each event.
