

VITALITY DAY

HOSPITALITY AND WELCOMING

Presented by the Office for Evangelization and Missionary Discipleship

The foundational step in creating a culture of evangelization in your parish is to focus on radical hospitality and welcoming. Please join us for a workshop designed for all parish leaders who want to be a part of the renewal efforts in your community. Through prayer, conversation, and shared learning, participants will leave this workshop with new insights and understanding as well as practical tools for use in the parish.

There is a Vitality Day offered in each vicariate. Please register for whichever workshop works best for you. Presentations will be in English, Spanish, and Polish at most locations. Indicate which language session you will attend when registering. A meal will be served. To register and to find out more about other dates, please visit pvm.archchicago.org/evangelization/events at least 48 hours before each event.
