

Family Evangelization Congress

NOT ALONE

Save The Date
March 1 – March 24

As part of the Catechetical License of the Archdiocese of Chicago for Polish schools, we are excited to announce the third annual Evangelization Congress for Polonia. This year the theme of the congress will be “Not Alone.” This congress will provide attendees with formation within the framework of family evangelization catechesis.

The Not Alone Congress will provide encouragement and an opportunity to develop and deepen the spirit of faith and prayer in children and young people preparing for the sacraments, their parents and together as families. The aim is to stimulate and discover the value of not being alone in the community of the local church as well as the experience of piety of our neighbors.

The keynote speaker will be **Archbishop Grzegorz Ryś** – Archbishop of Łódź in Poland. Archbishop Ryś is also the Chair for the New Evangelization for the Episcopal Conference of the Polish Bishop.

Also, we will have a privilege of having two additional speakers during our congress who are working for the New Evangelization for the Episcopal Conference of the Polish Bishop. **Father Michał Olszewski, SCJ**, Director of Catholic Internet Radio (profeto.pl) and the charismatic priest involved with New Evangelization and Healing Ministry. **Mr. Antoni Tompolski**, the Director of Alpha Poland, will also be present.

We hope that you will be able to join us to participate in this Congress.
