The Role of Faith in Transforming Racial Injustice

Wednesday, June 24 | 7 – 8:30 p.m.

Facebook Live

This year, you are invited to join the Theology on Tap Kickoff via a Facebook Live event, featuring the Most Reverend Joseph N. Perry, auxiliary bishop of the Archdiocese of Chicago, and Ms. Tanya Woods, executive director of the Westside Justice Center.

These two prominent Black leaders in Chicago will honestly discuss the history of racial injustice in the Catholic Church and in our country, the circumstances that have led to our current situation, and the role of faith in Jesus and personal responsibility moving forward toward transformation and change.
