There's one question that is part of the electronic form that asks for an essay answer format (100-200 words). This essay question can be written in advanced of submitting/completing the Electronic Form. We ask the applicant to type in their essay answer or copy/paste on to the form. Again, this essay portion can be prepared in advance of completing the electronic form. Here is the required short essay question for your consideration:

ECHO is an immersive experience into the depths of our identity as men and women through the lens of St. John Paul II's Theology of the Body. We explore themes of sexuality, vocation, prayer, and relationships. We want to make sure you want to dive in! Please tell us in 100-200 words why you want to attend Echo.

Once you have completed this step, you should receive a response from our office to continue the application process.
