

DOMESTIC VIOLENCE OUTREACH
— ARCHDIOCESE of CHICAGO —
AWARENESS - SERVICES - PREVENTION

Sacred Heart Domestic Violence Outreach Ministry and our Pastor Father Jacek Wrona invite you to our Silent Witness Exhibit, Sunday September 24, 2017 from 3:00 pm to 6:00 pm. The silhouettes represent local victims whose lives were taken by domestic violence. The objective of the exhibit is to bring awareness and provide information to our community about domestic violence. For the past twenty years, the Exhibits have been the most powerful way to honor those whose lives were lost in acts of domestic violence and to begin the healing process through awareness, education and treatment programs in hundreds of communities across America and several other countries, worldwide.

The Exhibit is a visual representation consisting of life-sized, red laminated silhouettes of the women, men and children murdered in acts of domestic violence during a specific period within each state, county or city. The goal of each Exhibit is to create an engaging display that will rally community support to grieve the losses of human life, create awareness and education materials and programs by collaborating with concerned and passionate members of your local community.

Remember My Story. Remember My Name.

In 1990, the Silent Witness Initiative began promoting and education to support an end to domestic violence through community based exhibits. It started with a small group of volunteers in one state and grew into an international presence, with projects in all 50 states and 23 countries.

Silent Witness International is the leading voice that honors the lives of domestic violence homicide victims through family support, community connections, and advocacy for change.

Many men and women die each year in acts of domestic violence in the United States. Each one has a story. Join our efforts to end this tragedy. <http://www.silentwitness.net/>
