Dear Diocesan Pastoral Companions:

Thank you for your support in promoting and confirming the participation of Pastoral Migratoria leaders in your diocese at the Instituto Nacional Pastoral Migratoria 2022 (hybrid). We have developed promotional materials to make your outreach work easier. Below you'll find instructions on how best to use these documents.

**Flyer:** Our communications office developed a master flyer that can be edited to include local information. We request that you retain the general text for uniformity but change the following sections:

- *Heading* to reflect your local diocese or parish
- *Time* to reflect your time zone
- *Location where you will gather* as an in-person group
- *Contact information*

Attached to this email, you will also find the flyer's content as text, in case your diocese requires you to follow a different design. Note: Please **do not replace the registration link**. Upon registration, individuals will receive a Zoom link for connecting during both days of the institute.

**Registration:** A single registration form using Zoom has been developed for your use. Since the institute will use the same Zoom link for both days, it is important that your leaders register ahead of time so we can secure in advance the appropriate number of breakout rooms and facilitators. Registrants will have the option to connect via Zoom on Friday and Saturday if they plan to attend the in-person gathering at a location of your choosing.

Raymundo will send a weekly report of registrants for you to follow up with local details and related information.

**Website:** For easy access, we are currently developing a webpage where you will be able to access and download all promotional materials, as well as the program. The website can be reached following this [link](#) and it should be live by July 1<sup>st</sup>

**Program:** A tentative program will be ready for viewing on the website by July 1<sup>st</sup>. Attached to this email is a preliminary program – feel free to use this version in promotional efforts as we don't foresee any major changes.

If you have any questions please contact Raymundo Valdez at [rvaldez@archchicago](mailto:rvaldez@archchicago) or 773-619-1448.

Thanks again.

Peace,
