Pope Francis

**World Day of Prayer for Care of Creation 2016**

“Prayer needs to translate into action: ‘avoiding the use of plastic and paper, reducing water consumption, separating refuse, cooking only what can reasonably be consumed, showing care for other living beings, using public transport or car-pooling, planting trees, turning off unnecessary lights, or any number of other practices.’ We must not think that these efforts are too small to improve our world. They call forth a goodness which, albeit unseen, inevitably tends to spread and encourage a prophetic and contemplative lifestyle, one capable of deep enjoyment free of the obsession with consumption.”

Litany of Petition

**Response:** Change our lives, O God.

1. From a lifestyle of consumption, to a lifestyle of communion, we pray.
2. From wanting more, to sharing more, we pray.
3. From feeling stuck regarding care of our common home, to being creative regarding care of our common home, we pray.
4. From hurting creation, to healing creation, we pray.
5. From acting without thought for the rest of creation, to being careful about all our actions, we pray

Closing Prayer

**All:** Come Holy Spirit, fill us with your care and love for our common home.  
May the whole web of life flourish with loveliness because we were alive today.  
This we ask in the name of all who count on this happening.  
This we ask in the name of Christ.  
Amen.
