## 2022–23 Rice Bowl Grant Information and Guidelines

### Background

CRS Rice Bowl is the official Lenten program of Catholic Relief Services (CRS). It was created in 1975 with the goal of entering into solidarity with our brothers and sisters overseas through prayer, fasting, learning and giving. Many parishes in the Archdiocese of Chicago participate in CRS Rice Bowl and through their generosity and support, help to fund CRS in their global initiatives. 75% of Rice Bowl donations support CRS development projects throughout the world, while the remaining 25% funds local programs and initiatives that animate the values of CRS in the Archdiocese of Chicago.

### Criteria and Funding Areas

We fund parishes and organizations that emulate CRS' mission and vision on a local level, meaning that we seek to support projects that save lives and alleviate suffering, accelerate the end of poverty and cultivate just and peaceful societies, always placing the dignity of the human person in the center. Grant awards range from \$1,000 to \$5,000 and are for a period of one year (past funding does not guarantee future funding). To better align our local CRS Rice Bowl initiative with CRS' 2030 vision and strategy (learn more at [crs.org/about/agency-strategy](http://crs.org/about/agency-strategy)), we are providing funding to projects that address one or more of the following goal areas:

- Promoting Peaceful and Just Societies (examples: restorative justice and nonviolence training)
- Giving Food to the Hungry (examples: food pantries and soup kitchens)
- Providing Housing and Social Services (examples: overnight shelters and counseling)
- Fostering Resilience and Sustainability (examples: fair/ethical trade, community gardening, environmental stewardship)
- Youth Mentorship (examples: leadership development and support through arts and ministry)
