

On behalf of the Archdiocese of Chicago and the Greek Orthodox Metropolis of Chicago, Our Lady of Perpetual Help Catholic Church and Saints Peter and Paul Greek Orthodox Church, you are cordially invited to the

# TENTH ANNUAL **SOLEMN VESPERS** **FOR THE WORLD DAY OF PRAYER** **FOR THE CARE OF CREATION**

**Saturday, August 31, 2024 | 7 p.m.**

Saints Peter and Paul Greek Orthodox Church  
1401 Wagner Road, Glenview, Illinois 60025

All are invited as the Catholic and Greek Orthodox communities of greater Chicagoland join together for an ecumenical service to give thanks for God's gift of creation and to recognize the conservation efforts of his disciples.

The event will be live-streamed as well at: [sppglenview.org](https://sppglenview.org)

---

**The Vespers will be followed by a reception and a lecture  
by Dr. Debjani Ghatak**

Dr. Debjani Ghatak is a hydro-climatologist and a lecturer at the School of Environmental Sustainability, Loyola University Chicago. Her presentation is "Climate Change: Cause and Impact." What is the difference between natural and anthropogenic climate change? She will dig deeper into the causes of anthropogenic climate change and will also discuss what a future projected climate change scenario looks like for our state and country. The impacts of climate change are apparent at almost every corner of the world. It is very important that we understand our role in climate change and that we develop some coping strategies.
