

Support – *The Hunting Ground* Presentation

Numbers to know: 911 and 800.656.HOPE (4673).

The National Sexual Assault Hotline is sponsored by Rape, Abuse, and Incest National Network (RAINN). It is available 24/7, phone or chat <http://www.rainn.org/>. Call 800.656.HOPE (4673) to be connected with a trained staff member from a sexual assault service provider in your area.

How does it work?

When you call 800.656.HOPE (4673), you'll be routed to a local RAINN affiliate organization based on the first six digits of your phone number. Cell phone callers have the option to enter the zip code of their current location to more accurately locate the nearest sexual assault service provider.

How can the hotline help me?

Calling the National Sexual Assault Hotline gives you access to a range of free services including:

- Confidential support from a trained staff member
- Support finding a local health facility that is trained to care for survivors of sexual assault and offers services like sexual assault forensic exams
- Someone to help you talk through what happened
- Local resources that can assist with your next steps toward healing and recovery
- Referrals for long term support in your area
- Information about the laws in your community
- Basic information about medical concerns

The RAINN website offers very useful information in three categories. Specific articles appear in *italics* and **bold**. We find them particularly useful and we hope you do too. Please see page two. Just copy the link to your browser.

Thank you for attending this presentation of *The Hunting Ground* and for joining in the discussion!
