

- **Women's clothes**

In addition to winter coats, parishes have also provided women's clothes, which we have distributed to 18 parishes connected with Pastoral Migratoria and Polish Immigrant-to-Immigrant Ministry.

- **Creating Awareness on Immigration**

An IPC not only seeks their parish's participation in collecting clothes, but also encourages their engagement in education opportunities to learn where the winter coats go and why people are deported. As a result of this outreach, two parishes organized advocacy actions, six parishes became actively involved in Office for Immigrant Affairs planning meetings for 2014 advocacy actions, two parishes organized prayer vigils at their parishes, and two

parishes visited Broadview.

*"From this place of welcome, of encounter and of service I would like you all...to ask yourselves this question: do I kneel down to someone in difficulty or am I afraid to soil my hands? Am I closed in on myself, focused on my things, or do I notice those in need of help? Do I just serve myself or am I able to serve others as Christ did to the point of giving his life? Do I look into the eyes of those who seek justice, or do I look the other way so as not to look into their eyes?"*

# Immigration Parish Coordinator

Office for Immigrant Affairs  
& Immigration Education  
(OIA)

An **Immigration Parish Coordinator (IPC)** serves a vital role towards fulfilling the mission to “Welcome the Stranger.” This person is committed to work on behalf of immigrants and immigration issues in the context of Catholic social teaching. The IPC coordinates efforts in education/conversion, advocacy/solidarity, and empowerment/accompaniment in the non-immigrant congregation of their parish.

In this volunteer role, the IPC serves as a liaison between their parish and the Office for Immigrant Affairs of the Archdiocese of Chicago.

## Accomplishments

Below are a few examples of IPCs' work in 2013-2014.

### **•Prayer Vigil at Rep. Dan Lipinski's Office**

In April 2014, more than 40 parishioners (representing 22 parishes including six from Rep. Lipinski's district) organized a prayer vigil for the congressman's conversion in regards to immigration reform. Five IPCs from his district talked to his chief of staff and gave him Pope Francis' “Joy of the Gospel” for Rep. Lipinski. Parishioners from his district also signed a petition.

### **• Winter Clothes**

18 parishes participated in the collection of 700 articles of clothing for the Broadview detention center. Many people who are deported do not have appropriate winter clothes because they might have been detained during the warm season. Early in the winter, Immigration & Custom Enforcement's district director asked us to also provide winter coats to his office so they could distribute them to other detention centers in his region (6 States).
