## The Response of the Gospel of Mercy

*"El Salvador, Honduras and Guatemala are currently experiencing some of the highest rates of homicide and violence in the world, resulting in the forced displacement of thousands of their citizens to neighboring countries, as well as to the U.S. Many of those targeted for deportation by the U.S. Immigration and Customs Enforcement Agency (ICE), have valid claims to humanitarian protection in the U.S. but lacked adequate legal representation or were fast tracked through legal proceedings without basic due process guarantees."*
