Support the BRIDGE Act and Protect DACA Youth

“To remove DACA protections would put hundreds of thousands of young people at risk of deportation, cutting short their dreams of a better future...Deport them, and we deport their potential to make our nation stronger...we deport our future builders of bridges, teachers of children, savers of lives...we deport our fundamental values as Americans.

~Cardinal Blase Cupich (01/09/17)

Under the BRIDGE Act, young people who came to the United States as children would maintain their eligibility to work and live in the U.S. without the fear of deportation and family separation so long as they meet certain requirements.

ACTION: Join the U.S. Catholic bishops in support of protecting over 750,000 young people who have benefitted from DACA by asking lawmakers to support and co-sponsor the Bridge Act. Send a postcard from the Justice for Immigrants' homepage at www.justiceforimmigrants.org
